About us & our Product Range

Board **EXPRESS**

Board Express is an upgrading, finishing and component manufacturing company based in Marburg, Port Shepstone, KwaZulu Natal.

Besides the manufacturing of our own range of products, we also supply brands like Sonae Industria, PG Bison, NovaWood, Masonite, Formica etc. to offer our customers the best options available to suit their individual needs and at affordable prices.

Board Express manufactures the following:

- Foil Boards
- PVC (Vacuum Formed Doors)
- Post Form Tops
- Furniture Components

Please note the following:

- We can custom make to your requirements
- All furniture is manufactured by utilising Cabinet Vision Software

cabinet vision

Board Suppliers

Sonae Novobord

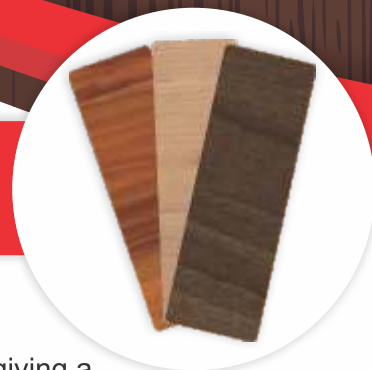

A company of the group
 **SONAE
INDUSTRIA**

Sonae Novobord is one of the largest wood based panel producers in Africa and manufactures particleboard (Chipboard), medium density fibreboard (MDF) melamine faced board and distribute High Pressure Laminates and Laminated Flooring.

PG BISON

MelaWood is suitable for medium duty vertical applications, such as door and drawer frontals, carcassing, furniture components and shelving, as well as wall cladding and interior building elements. MelaWood is the ideal choice for kitchen, built-in-cupboard and case-goods applications. MelaWood is available in three surface finishes, Peen (a textured, stippled finish), Executive (a smooth, matt finish) and Ashwood (an embossed, wood grain finish).

Product Range

Foil boards - paper lamination

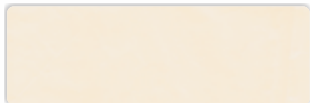

Foil paper is laminated via a heating and pressing process on particle or fibreboard giving a good-looking and resistant surface for use as furniture, coffins and decoration panels.
